

Stories of *experience*:

Learning from the environmental experiences of older Australians

24 short stories celebrating the practices, innovations and wisdom of older people...stories about surviving hardship and self-sufficiency. Mend and make do, thrift and sharing were a major part of life well before recycling, environmentalism and plasma television sets. Up-to-date environmental information with each story suggests a change or action all of us can make.

Stories of Experience costs just \$10 – including postage

To order please print and complete this form and send it with your cheque payable to “Real Options” for \$10 per copy.
